Membership Agreement

Welcome to your new StockCharts account!

Before you get started, please read our Membership Agreement, then use the buttons at the bottom to continue to your account.

Print

StockCharts.com, Inc., a Washington corporation (referred to hereafter as "StockCharts.com"), offers an online membership service which is an expanded suite of online tools and services beyond what is currently offered under the Free User status. By completing the registration process, paying all required membership fees, and using your membership, you are indicating that you agree to be bound by all of the terms in this Membership Agreement. Please print and keep a copy of this Agreement. StockCharts.com may change the terms in this Membership Agreement. When the terms are changed, StockCharts.com will notify you by e-mail or online postings. The changes also will appear in this document, which you can access at any time using the "Terms of Service" link at the bottom of any page on the site. If you do not agree to be bound by the changes, you should not use your account again and you should cancel your membership. If you use your account after StockCharts.com has notified members of a change in the Membership Agreement, you are agreeing now to be bound by all of the changes.

PRIVACY OF INFORMATION

Please review our **Privacy Statement**, which also governs your use of our service, to understand how we collect and use information about you.

FEES AND PAYMENTS

Month-to-month members will be automatically renewed each month. You may disable this automatic renewal feature at any time.
Long-term members will receive an email notification when their account is about the expire. Members can renew their account at any time using **our online payment system**.
If we do not receive notice of your renewal by the expiration date, your account will revert back to the Free User status. Users who paid for their membership by personal check will not receive a renewal notice and are responsible for renewing their account before the expiration date.
All fees are due in advance and are non-refundable.
If you believe someone has accessed your account using your user name and password without your authorization, you must contact StockCharts.com at **support@stockcharts.com**.
If you are not satisfied with our service within 10 days from when you placed your initial order, you may cancel your account and you will not be charged. Individuals who subscribe via check are not eligible for refunds. If you cancel your membership, you will not be able to re-subscribe for three months from the date of cancellation.

COPYRIGHT AND LIMITATIONS ON USE

Only one individual may access your account at the same time, unless agreed otherwise by StockCharts.com. The content available through your account is the property of StockCharts.com or its licensors and is protected by copyright, trademark and other intellectual property laws. Content received through your account may be displayed, reformatted, and printed for your personal, non-commercial use only. You agree not to reproduce, retransmit, distribute, display, disseminate, sell, publish, broadcast or circulate the content to anyone, including but not limited to others in the same company or organization, without the express prior written consent of StockCharts.com, with this one exception:
You may, on an occasional and irregular basis, disseminate an insubstantial portion of our content for noncommercial purposes, without charge, to a limited number of individuals, provided you include all copyright and other proprietary rights notices with such portion of the content in the same form in which the notices appear on StockCharts.com, original source attribution, and the phrase "Used with permission from StockCharts.com, Inc." To request consent for other matters, please contact StockCharts.com at **support@stockcharts.com**.

REGISTRATION AND SECURITY

As part of the registration process, you will be assigned a password and a user ID. You also are required to give us certain registration information, all of which must be accurate and updated. You may not: (i) select or use a user ID of another person with the intent to impersonate that person; (ii) use a user ID in which another person has rights without such person's authorization; or (iii) use a user ID that StockCharts.com, in its sole discretion, deems offensive. Failure to comply with the foregoing shall constitute a breach of this Agreement, which may result in immediate termination of your account. You shall be responsible for maintaining the confidentiality of your password.

You shall notify StockCharts.com, at **support@stockcharts.com**, of any known or suspected unauthorized use(s) of your account, or any known or suspected breach of security, including loss, theft, or unauthorized disclosure of your password.

You are responsible for all usage or activity on your account, including use of the account by any third party authorized by you to use your subscriber ID and password. Any fraudulent, abusive, or otherwise illegal activity may be grounds for termination of your account, at StockCharts.com's sole discretion, and StockCharts.com may refer you to appropriate law enforcement agencies.

TERMINATION

StockCharts.com may discontinue or change our service, or its availability to you, at any time. You may terminate your account at any time by sending an email to **support@stockcharts.com**. Upon termination, you will receive confirmation via email that the request was received, and your access to your account will be suspended within 24 hours. You will still have access to StockCharts.com's Free service. Any data stored on StockCharts.com's servers as part of your account may be lost.

MISCELLANEOUS

This Agreement is personal to you, and you may not assign your rights or obligations to anyone. If any provision in this Agreement is invalid or unenforceable under applicable law, the remaining provisions will continue in full force and effect. This Agreement, your rights and obligations, and all actions contemplated by this Agreement shall be governed by the laws of the State of Washington. You consent to the exclusive jurisdiction and venue of courts in King County, Washington, U.S.A.

StockCharts.com's **Terms of Service** are hereby incorporated as part of this Subscription Agreement. By agreeing to the terms in this Agreement, you also are agreeing to abide by, and be bound by, StockCharts.com's Terms of Service.

Select a style of your charts:

STEP 1 OF 3

First, let's set up your default chart

One of the most important customizations you can make as a StockCharts Member is your **default "ChartStyle"** – the chart type, period, overlays, indicators and other settings you'll see whenever you pull up a new ticker symbol.

To help you get started, you can select one of the popular pre-built ChartStyles below.

(Don't worry, you can always change the settings of your default ChartStyle in the future)

The John Murphy

A timeless, no-nonsense chart layout created by John Murphy, with OHLC bars on a 1-year daily chart. Includes Volume, 50 and 200-day Moving Averages and price relative to the S&P 500.

○ Select This ChartStyle

StockCharts Classic

Our classic, award-winning layout, with daily candlesticks on a 1-year chart. Simple yet powerful, this style includes 50 and 200-day Moving Averages, Volume, RSI and MACD.

✓ SELECTED

Weekly Elder Bars

For longer-term analysis, this 5-year weekly chart features Elder Impulse bars. Includes price relative to the S&P 500, our Dividends indicator, RSI, MACD, SCTRs, 50 and 150-week Moving Averages and Volume.

Select This ChartStyle

Short-Term Trading

See the intraday action with 5-minute candlesticks for the past 5 trading days. Includes Parabolic SAR, the ZigZag indicator, Volume, On Balance Volume, Chaikin Money Flow, ADX and RSI.

Next, let's create your first ChartList

Now that you have a great-looking default ChartStyle, the next step is to save a few of the stocks and funds you own in your portfolio as a new **"ChartList"**. Used for saving charts and symbols, ChartLists make it quick and easy to review the stocks in your portfolio, funds in your retirement account, or your go-to market analysis charts.

To create your first ChartList, use the search box below to find some of your stocks and/or funds.
You can type either a ticker symbol or the full name of the security you're looking for.

Lastly, let's add some scans to your account

Your last setup step is to add a few technical scans to your account. Our Scan Engine allows you to screen over 50,000 symbols in our database for your own technical criteria, helping you streamline your investing workflow and find new opportunities faster than ever before.

To help you get started, select a few popular scans from the lists below and we'll automatically save them in your new account.

SETUP GUIDE

Congrats, Castaway!

You're ready to start charting like a StockCharts wizard!

This is just the beginning and there's plenty more to explore, but the configurations that we've made here will definitely help get you going in the right direction.

At this point, you can continue on to **Your Dashboard** – the heart and soul of your StockCharts account and the first page you'll see whenever you log in. The Dashboard includes quick access to your ChartLists, scans and alerts, a variety of market overview data, and links to our many charting tools and members-only features.

We also encourage you to take a look at our helpful **"Getting Started with StockCharts"** series, which dives deeper into all of the many tools, features, capabilities and account settings that you now have access to as a StockCharts Member.
